Subject: Condition B1 - Overarching Communication Strategy

Dear Mr Smit

I refer to your submission on 4 February 2026 of the Overarching Communication Strategy (rev 8, January 2026) required by Condition B1, to the Planning Secretary for approval under Condition B3.

I note the Overarching Communication Strategy:

- has been updated in a minor capacity to reflect changed contact arrangements leading into the start of operation of the Project;
- has been reviewed by Transport for NSW and no issues have been raised with the Department; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Overarching Communication Strategy (rev 8, January 2026) under Condition B3.

You are reminded that if there are any inconsistencies between the Overarching Communication Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Amy Porter on amy.porter@planning.nsw.gov.au.

Yours sincerely
