Subject: Surface Water and Groundwater Monitoring Plan

Dear Mr Smit

I refer to your submission of the Surface Water and Groundwater Monitoring Plan (rev 6, 12 May 2026) (the SWGWMP) required by Condition D5(a) and D5(b) to the Planning Secretary for information under Condition D7 of SSI-9364.

I note the SWGWMP:

- Corrects GPS coordinate errors for Cosgrove and Badgerys Creeks
- Relocates the sampling locations for Kemps Creek, to inside the operational corridor.
- Corrects the Ropes Crossing sampling location descriptions.
- Remains a standalone document.

Accordingly, as nominee of the Planning Secretary, I acknowledge receipt of the Surface Water and Groundwater Monitoring Plan (rev 6, 12 May 2026) under Condition D7.

You are reminded that if there are any inconsistencies between the SWGWMP and the conditions of approval, the conditions prevail.

Please ensure you make the SWGWMP publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Amy Porter on amy.porter@planning.nsw.gov.au.

Yours sincerely

Grant Brown
