Attention: Ian Irwin, Environment Manager

Inland Rail – Illabo to Stockinbingal (SSI-9406) – approval of Social Impact Management Plan and Temporary Workforce Accommodation Facility Management Plan

Dear Ian,

I refer to your submissions, lodged on 30 July and 14 August 2025, requesting approval of the Inland Rail – Illabo to Stockinbingal (SSI-9406):

- Social Impact Management Plan (John Holland, rev 0, 28/07/2025; **SIMP**) under condition E109
- Temporary Accommodation Facility Management Plan (John Holland, rev 0, 08/08/2025) under condition A18.

I note the management plans identified above were prepared in consultation with the identified stakeholders, including relevant Councils, contain the required inclusions and were endorsed by the Environment Representative on 29 July and 12 August 2025.

As nominee of the Planning Secretary, I approve the management plans identified above under condition E109 and A18 respectively.

I note that while the SIMP commits to quarterly reporting, the reporting period, reporting quarters, and timeframe for publishing the quarterly reports are not identified. Therefore, I request a minor update to include this information by 31 October 2025, and I request the updated SIMP be submitted for information and published on the project website by 14 November 2025.

If you wish to discuss this, please contact Alex McGuirk, Principal Planning Officer, or myself.

Yours sincerely,

Alexander Scott
Director, Freight Assessments

As nominee of the Planning Secretary
