Dear Ms. Lovell

**Port Kembla Gas Terminal (SSI-9471)
Outer Harbour Erosion and Sediment Control Plan**

I refer to the revised Outer Harbour Erosion and Sediment Control Plan submitted in accordance with Condition 5 of Schedule 3 of the Infrastructure Approval for the Port Kembla Gas Terminal (SSI-9471).

The Department understands that the area for stockpiling has been reduced following discussions with NSW Ports. The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of approval.

Accordingly, the Secretary has approved the Outer Harbour Erosion and Sediment Control Plan (Drawings ESCP01 and ESCP02, Revision 5, dated 30 August 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely
