Subject: Contaminated Spoil Protocol for Port Kembla Gas Terminal (SSI-9471)

Dear Ms. Lovell,

I refer to your submission requesting review and approval of the Contaminated Spoil Protocol. I also acknowledge your response to the Department's review comments and requests for additional information.

I note the Contaminated Spoil Protocol has been prepared in consultation with the EPA Contaminated Site Auditor, DPI Fisheries, NSW EPA, Port Authority of NSW and NSW Ports and contains information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Contaminated Spoil Protocol (Revision E, dated 4 May 2022) consistent with Condition 11 of Schedule 3.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely
