Inland Rail – Narromine to Narrabri (SSI-9487) Approval of Lead Environmental Representative

Dear Kurt,

I refer to your letter dated 8 July 2026, requesting the Planning Secretary's approval under condition A34 of the Inland Rail – Narromine to Narrabri infrastructure approval (SSI-9487) of Tracey Doczy as lead Environmental Representative.

I note Ms Doczy has:

- provided a curriculum vitae listing her qualifications and experience, and she is considered suitably qualified to fulfill the role of lead Environmental Representative
- performed the role of alternate Environmental Representative on this project
- confirmed herself to be independent in relation to the preparation of the project environmental impact statement, submissions report, and construction, design and delivery.

As nominee of the Planning Secretary, I approve Tracey Doczy as lead Environmental Representative in accordance with conditions A34 and A35.

If you wish to discuss this, please contact Scott Cooper, or myself.

Yours sincerely,

Alex McGuirk
