Subject: Inland Rail Narromine to Narrabri (SSI - 9487) Condition E60 - Independent Flood Impact Assessment Panel Terms of Reference

Dear Mr Uebergang

I refer to your submission dated 11 November 2025 and responses to the Department's Requests for additional information on 5 February 2026 and 20 February 2026, requesting approval of the Independent Flood Impact Assessment Panel (IFIAP) Terms of Reference (19/2/26) as required by Condition E60.

I note that the Terms of Reference outline the administrative roles and responsibilities of the IFIAP, the Proponent and landowners when referring matters to the IFIAP for consideration and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the IFIAP Terms of Reference.

You are reminded that if there are any inconsistencies between the approved Terms of Reference and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Belinda Scott at Belinda.Scott@planning.nsw.gov.au.

Yours sincerely
