Subject: Snowy 2.0 - Main Works – TBM4 Subsidence Management Plan

Dear Ms Fraser

I refer to the Snowy 2.0 - Main Works - TBM4 Subsidence Management Plan (Revision C dated 12 December 2025), submitted in accordance with Condition 64(b), Schedule 3 of the approval for the Snowy 2.0 Main Works (SSI-9687).

I note the Subsidence Management Plan:

- has been prepared in consultation with the NSW National Parks and Wildlife Service; and
- contains the information required by the conditions of approval.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in approval SSI-9687.

You are reminded that if there are any inconsistencies between the Subsidence Management Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Anthony Ko on (02 8217 2022) or at anthony.ko@planning.nsw.gov.au.

Yours sincerely
