Dear Chris

**Snowy 2.0 Main Works (SSI 9687)
Construction Noise Management Plan – Rock Forest**

I refer to the Construction Noise Management Plan – Rock Forest which was submitted in accordance with Condition 57 of Schedule 3 for the Snowy 2.0 Main Works (SSI 9687).

The Department has carefully reviewed the document and is satisfied that it is prepared in accordance with the conditions, noting that Snowy Hydro will update the plan accordingly once the detailed design of the spoil emplacement area is complete.

Accordingly, the Planning Secretary has approved the Construction Noise Management Plan – Rock Forest (Revision E, 2 December 2020). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Anthony Ko on 8217 2022.

Yours sincerely
