Dear Chris

**Snowy 2.0 Main Works (SSI-9687) & Snowy 2.0 Exploratory Works (SSI-9208)  
Transport Management Plan**

I refer to the Transport Management Plan which was submitted in accordance with condition 46 of Schedule 3 of the Infrastructure Approval for the Snowy 2.0 Main Works (SSI 9687) and condition 46 of Schedule 3 of the Infrastructure Approval for the Snowy 2.0 Exploratory Works (SSI 9208).

The Department has carefully reviewed the document and notes that it supersedes the approved Traffic Management Plan for the Snowy 2.0 Exploratory Works (SSI 9208) and is satisfied that it is prepared in accordance with the conditions.

Accordingly, the Planning Secretary has approved the Transport Management Plan (Revision G, dated 3 August 2020). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Anthony Ko on 8217 2022.

Yours sincerely
