Dear Mr Johan

**Botany Rail Duplication (SSI-9714)**  
**Condition B1: Community Communication Strategy**

I refer to the Community Communication Strategy, revision 5, dated 19 January 2022, which was submitted to the Planning Secretary for approval in accordance with Condition B1 of SSI-9714. I also acknowledge your response to the Department's request for information.

The Department has carefully reviewed the document and is satisfied that it:

- has been reviewed and approved by ARTC and no issues have been raised;
- contains a clear process for when communications will occur and in what format;
- contains a Complaints Management System (CMS); and
- satisfies the relevant conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Community Communication Strategy, revision 5, dated 19 January 2022 in accordance with Condition B1 of SSI-9714.

Please ensure that the Community Communication Strategy is made publicly available on the project website as soon as possible.

You are reminded that if there is any inconsistency between the Communication Strategy (revision 5, dated 19 January 2022) and the conditions of approval, then the requirements of the conditions will prevail.

If you wish to discuss the matter further, please contact Scott Cooper at [scott.cooper@planning.nsw.gov.au](mailto:scott.cooper@planning.nsw.gov.au).

Yours sincerely

Matthew Todd-Jones  
A/Director  
Infrastructure Management

As nominee of the Planning Secretary
