Construction Parking and Access Strategy, Condition E57

Dear Mr Newton

I refer to the Construction Parking and Access Strategy (CPAS) submitted for approval of the Planning Secretary under condition E57 of SSI-9737.

I note the CPAS:

- allows for the temporary removal of four (4) on-street parking spaces on King St, Mascot for a period of 5 weeks between 17 February 2023 to 17 April 2023;
- has been prepared in consultation with Bayside Council and affected stakeholders;
- has been reviewed by Transport for NSW, and no issues have been raised with the Department; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Construction Parking and Access Strategy, Revision 02 dated 10 January 2023, under condition E57, Schedule 2 of SSI-9737.

Please ensure that the approved strategy is placed on the project website at the earliest convenience as per condition B12.

I remind you of your commitments to continue to consult with the affected stakeholders, and that you manage any unforeseen parking impacts in accordance with the mitigation measures outlined in the CPAS.

I also remind you that if there are any inconsistencies between the approved CPAS and the conditions of approval, then the requirements of the conditions of approval will prevail.

If you have any questions or wish to discuss the matter further, please contact Shelley Reed at shelley.reed@dpie.nsw.gov.au.

Yours sincerely
