Dear Mr Betts,

Re: Sydney Gateway (SSI 9737) Notice of Commencement (Condition A27)

I refer to SSI 9737 (Sydney Gateway) which was approved by the Minister for Planning and Public Spaces on 27th August 2020.

Condition A27 requires a notification on commencement of construction as follows:
The Department must be notified in writing of the dates of commencement of construction and operation at least one (1) month before those dates.

It is anticipated that commencement of construction for SSI 9737 will occur on 5 July 2021 (being at least 1 month from the date of this notification). It is recognised that construction cannot commence until such time as the CEMP is approved in accordance with Condition C3 of the SSI Approval.

This submission has been prepared to comply with Condition A27 and is submitted to the Secretary for information.

Should you have any further questions, or require further information, please contact Sarah Barker on 0476 844 274.

Yours sincerely
