COMMENTS

"The environmental impact this will have Culburra Beach. Everything this proposal is bringing to Culburra

The proposed development will clear around 50 hectares of virgin bush land and seriously compromise the environmental integrity of Curley's Bay. The wonderful bird and wildlife will have their habitat destroyed. They will have nowhere to retreat on the Northern side of Culburra Road. As a consequence of this development, the 20km drive from Nowra to Culburra (except for the 5km from Coonemia Road to Culburra on the southern side) will traverse a cleared, pastoral, landscape. The 2019/20 bushfire event resulted in unprecedented losses of our precious bush and wildlife. We should be putting our efforts into their recovery "I live here"

"I don't want a housing estate in our lovely town all for developers to buy out and sell as well as the

"Hi everyone my name is graham Connolly jr jerrinja tribal spoke person for the jerrinja people off the Shoalhaven this development is disrespectful to my culture and to my jerrinja tribal people and to Culburra. Culburra always have been a family little community where family's growing up in for us all my jerrinja people and the Culburra community always add and always will have a love for bush land and native animals and sea

"Today it was announced that if the development is approved (goes ahead) the 'Trust' taking the money for the development sales will help support the Council to put a Public Pool Center into their development. As a result Aldermen Waston has said this is even more reason for the development to go ahead. Sadly, he like many supporters of this development do not live in Culburra Beach, like Brian Muller (real estate) and Col (the post master) who both live at Calalla Beach. I am wondering when the 'Trust' will be building a development like West Culburra at Calalla Beach with a pool and Woolworths as a promise. My current fear is

"Very important to preserve the nature of this great coastal town"

"Property development and developers underpin some of the worst sustained environmental disasters."

"I am very concerned for the environmental future of Culburra and the surrounding waterways"

"This proposed development is too big. It is in an area that will impact badly on the environment and the livelihoods of oyster farmers whose reputations are known worldwide. We have so much vandalism here already and no police presence most of the time. Our roads are in a shocking state, we don't need more for

"The proposed development is not in keeping with the existing seaside village environment and will increase traffic volumes and wear to the existing dilapidated and under maintained roads and infrastructure."

"The Shoalhaven is getting out of control busy as it is and all these new estates popping up are killing what I love about my local area! Saying it provides jobs shouldn't be a reason to keep developing at such a fast rate, us tradies are all run off our feet as it is and if you ask anyone there is actually too much work. This development will just make Culburra look like every other shitty spec home estate so keep your hands off our sea side paradise!!! And those who think there aren't enough permanent residents need to have a look

"We have just experienced the 'holiday' season here in Culburra Beach and I can assure you that it was no holiday for the locals. The visitors ran riot. So to make more accommodation for holiday lets is not a valid

"The very reason 'tourists & locals' love Culburra Beach & surrounds is that we ***have*** unspoilt natural spaces. And do ***not have*** developments. Stop ruining Country. Start respecting & preserving every

"Why do we insist on destroying the small coastal village environment, culture and aesthetic? People like to

"I believe that this proposal will be detrimental to the land and environment. The only road in and out of town can barely cope with the tourist traffic and lack of maintenance now. A larger population would put

"This development is not appropriate for the small township, it destroys habitat, pollutes wetlands, puts local residents in danger as only one road in and out and there has not been sufficient community

"There is not enough infrastructure in the small villages of the Shoalhaven to cope with the population

"There has been too much development without regional infrastructure upgraded first at developers expense

"Plenty of holiday houses locals could be utilising instead of having to ruin more nature for more

"Cause im a local from berrara and sussex has seen the same now local of evans head and we have battled to save it from development and have won against iron gates change is good but some times not....."

"Natural spaces essential for well being may wisdom prevail"

"Same thing is happening in our area at St G Basin, developers trying to overcrowd the area and make it like

"To save our homeland and the wildlife"

"I am very concerned about the impact to Oyster (Cutleys Bay) and Crookhaven River. I am also concerned about the development proposal being constructed in a sensitive wetland area. The South Coast has been

"I'm signing for many reasons including those mentioned in the petition We have nearly 1100 holiday rentals here nowPublic beach access clogged with cars from the overflow of some houses,especially The Marina and...Pipes carpark Eastbourne I wonder how many property investors have signed this petition to protect "I'm against the development of West Culburra."

"We seem hell bent on destroying the environment around us. May as well live in Sydney!!"

"Totally inappropriate for area."

"I strongly 43 hectares of unburnt native bushland and cannot possibly be justified in a time of climate

"Stop the destruction of our native habitat. This is criminal, especially after bushfire has already destroyed

"Im a local there are other sites more suitable"

"We don't need another Shellcove. Keep the Shoalhaven special."

"I'm signing because I believe we are fast destroying our own backyard..not only for our displaced animals, who are Aussie icons, and who the overseas visitors desperately want to see, also bringing dollars to the region, but because we are so quick to destroy what we have...without being racist, how many European immigrants have even a blade of grass in there properties...just concrete enmass...then they move on and buy another property and do the same...we are Australian, and our country is abound with beautiful animals, and "I don't want to see this beautiful region overdeveloped. This proposed development will further degrade ever decreasing bush land and contribute to lasting environmental damage. There is not the infrastructure to

"Too many people will ruin our area"

"I am not a robot"

"It is madness to destroy the remaining natural environment!"

"This surviving bush land is desperately needed as habitat and wildlife corridor. Development here is really

"Enough cultural heritage destruction has occurred already. Culburra is a peninsula with a finite amount of space. Overdevelopment would ruin the environment and the atmosphere for both locals and holiday makers

"save the wildlife and environment"

"culburra good, over develop bad"

"We need to preserve the nature and wildlife in this precious region."

"Reject humanity, return to monke"

"Save the pristine beauty of our landscape"

"I am tired of developers whose only interest is money destroying our beautiful piece of paradise."

"If you're going to build in this area replace every tree you cut down, or better yet, recreate the ecosystem"

"We need to preserve this beautiful area, not contaminate it!"

"I am a wildlife rehabilitator and after the fires we are struggling for the survival of thousands of species, not just the wombats and koalas, but the frogs, snakes, insects and all the other species we are so fortunate to have in the shoalhaven area.. Tourism on the south coast is important for the people who need this for income, the beautiful bushland, the wildlife and the walks are a huge part of why they come. This scenery in

"Its plain wrong for a small coastal community"

"Haven't we done enough damage to sites that have deep significance for Indigenous people? Isn't it time to

"I care about the future of our beautiful region and would consider this foolish in the long term with sea level

"Developers miss the point of what makes a place beautiful. Culburra shines in its unique ecological beauty. All along this part of the south coast has been destroyed by over development. You only have to look to

"Culburra Beach does not need real estate development especially in this inflated market and with the rise of

"Culburra is no different than where I lived in the sixties, no curbs, no pedestrian crossing, crap roads, business that don't care about customers (Sydney herald) and most people moved here for life style , as I did.

"Waterfront Lands across NSW, whether they be metropolitan or rural areas need protection from development that locks away public access. A buffer zone or separation distance to the waters edge is

"Culburra's natural beauty must NOT be destroyed."

"Save the Shoalhaven from overdevelopment!! We need to preserve what's left of our beautiful natural areas

"We need to preserve our areas of natural beauty, not ruin them with overdevelopment"

"Preserve the environment!!"

"With the history of bushfires in the South Coast we can't afford to add more cars/people to the single road in

"I'm not opposed to environmentally friendly development but not at the expense of the flora, fauna and

"This is simply wrong."

"Disgraceful to develop a coastal beach town that must retain its authentic and original identity or suffer from

"Because we need to keep spaces and places for people who need to connect to this beautiful landscape!"

"Totally unsuitable development"

"This development is completely out of character with the rest of Culburra"

"Greedy Councillors. I wonder how much these Greedy Councillors are getting from these Dodgy so

"I love Culburra"

"We don't need a Western Suburb type development in our beautiful coastal village. We will lose too much wildlife and bush and so close to the waterways. Also there is only one road in and out of Culburra and it is

"This is small seaside town, not a city! The crystal clear waters will be damaged forever by the pollution from

"It would be detrimental to Culburra beaches future as a coastal town"

"The natural beauty of Culburra should be maintained for Shoalhaven residents and visitors. The bushwalks, waterways and wildlife will all be negatively impacted if this development is allowed to proceed."

"Save this paradise ! Don't concrete this beautiful little town"

"Sick and tired of developers destroying natural beauty to fill their grubby pockets at the expense of nature"

"Like to keep some places just as they are."

"I'm signing to support my friends."

"I see this happening all along our coastline. It will soon be continuous colourbond. Stop immigration and 2 million temporary visas destroying our wilderness and best farming lands. No major infrastructure to cope

"Some places need to stay the way they are not increase the population of the area. Should not be a money

"Im signing because the environment to be preserved!"

"I love the beauty of the area and don't want the place I call home destroyed by urbanisation. If our local council can't address the issues with the roads and lack of drainage that we already have what hope do we
