Exhibition of Proposed Development Applications

The following development applications have been received by Council and are on public exhibition until **9 May 2019**. Any submissions regarding these applications must be received by Council by close of business **9 May 2019**.

App. No.	Description of Land	Work Proposed
DA 410/1994/7	Dalswinton Road Dalswinton LOT 72 DP 1199484	S4.55(1A) Modification - Extractive Industry
DA 36/2019	Sandy Creek Road McCullys Gap LOT 197 & 199 DP 752444	Installation of a 120m tall wind monitoring mast

Plans of these listed applications may be viewed between 9.00am and 4.30pm weekdays at the Council Administration Centre, 157 Maitland Street, Muswellbrook.

For more information on development applications phone Council's Planning and Environmental Services Department on 6549 3745.

Submissions to Council: Should an objector consider that the disclosure of their name and address would result in detriment to themselves, "OBJECTION IN CONFIDENCE" must be prominently written at the top of their submission. However, Council may still be obliged to release the full details of the submission, including name and address, under the Government Information (Public Access) Act 2009.
