ADDC's mission is to ensure children in Maryland and elsewhere are able to take on their responsibility to help to solve the world's most complex issues, such as nuclear disarmament, human rights, and the environment. The ADC's work has been recognized and honored by the UN, the White House, and the U.S. State Department. ADCDC is a 501(c)(3) nonprofit organization. For more information, visit www.adcdc.org.
