

N2N Route Option Analysis: Narrormine to Curban

Given that a route from Narrormine to Curban via Gilgandra was not considered feasible, different alternative routes were then evaluated between Narrormine and Curban as outlined on pages 64 and 65, and the comparative results are summarised in the table below.

This map is from the May 2017 MCA workshop report showing the Gilgandra Road Alternative option. The table graphic to the right reflects the outcome of the May 2017 MCA workshop

	Concept Alignment Narrormine to Curban (west around Narrormine)	Narrormine to Curban via Gilgandra	Eumungerie Rd / Gilgandra Rd Alternative option (east around Narrormine)
Distance	89km	105km 16km longer	90km 1km longer
Service Offering / Transit time	66km	78 min 12 min longer	67 min <1 min longer
Construction Cost	\$0m (for relativity)	+\$64m	+\$37m
MCA Score (relative to Concept Alignment)	-	-3.56	+0.43 (Eumungerie Rd) +0.55 (Gilgandra Rd Alternative)
