Dear Sir,

The Basin Villages Forum (BVF) is the Community Consultative Body (CCB) endorsed by Shoalhaven City Council as the representative group for residents and ratepayers of the villages of St Georges Basin, Sanctuary Point, Basin View, Old Earwol Bay and Earwol Bay in the Bay & Basin region of the Shoalhaven.

The BVF is a member of the Bay & Basin Community-Led Strategic Plan Reference Group (BBCLSP) and fully supports the submission from the BBCLSP for Development Project for Vincentia Coastal Village Project Modification Number MP060025 which represents the opinions of the Committee and Members of the BVF.

We urge the NSW Department of Planning & Environment to carefully consider the views expressed in the BBCLSP submission about this important district centre which is at the heart of the Bay & Basin area and major element of our Community Infrastructure.

Sincerely yours,
