OBJECTION TO DEVELOPMENT APPLICATION (SSD-8593) WHICH SEEKS APPROVAL TO INTENSIFY AND EXPAND UPON THE CURRENT RESOURCE RECOVERY FACILITY AT 16 KERR ROAD INGLEBURN, NSW 2565 (LOT 16 DP717203)

Petition Summary:	A Development Application has been submitted to the Independent Planning Commission seeking to intensify the current operation, increasing the total tonnage received from 30,000 tonnes per annum to 225,000 tonnes per annum. It also seeks to expand the types of waste that can be accepted to include an additional 40 waste types including both hazardous and restricted wastes.
Action Petitioned for:	We the undersigned, are concerned local residents and/or business owners and urge the Independent Planning Commission to reject any development application that seeks to intensify and expand upon the current operation at 16 Kerr Road Ingleburn.
