

# **STRATFORD MINE Pumped Hydro project**

**Please sign this petition  
which I, Pippa Robinson will present  
to the NSW Dept of Planning and Environment.**

**Is this the best choice for the reuse of  
Stratford coal mine?**

**We have had next to no meaningful community  
information and consultation about this imposing project  
which will operate for the a minimum of 50 years.**

**We the undersigned seek reassurance that the Dept. of  
Planning and Yancoal will :**

- Delay the response for submissions by one month  
from the 29 October 2024.**
- Conduct a series of information forums to discuss the  
wide range of social and environmental impacts that  
the project presents.**

We the undersigned seek assurance that the NSW Department of Planning and Environment will:  
 Delay the response for submissions by one month from the 29 October 2024.

Conduct a series of information forums to discuss the wide range of social and environmental impacts that the project presents.
