

HOMEAWAY REVIEWS - WYUNA

Beautiful touches for a holiday away from it all

We were well looked after by our host. Small touches such as the fire already laid, board games and books galore, great recommendations locally helped make this a wonderful stay. The countryside surrounding the house is very special and we loved wandering around early morning to watch the wildlife. Thank you for looking after us so well.

Homely

We were very happy with the house. Fit everyone comfortably and the deck was relaxing with some drunks and nibbles. Very peaceful and close to lue pub and the motorbike park.

Farmhouse

Fantastic little farm stay home, warm and inviting. Great to see what country life's like in a small rural town yet close to larger towns near by if required. Beautiful 360 views of farm scape around the house. Great for photographing wildlife. A nice little walk around the property and creek. Perfect escape from the hectic city life, quiet and peace. Wonderful retreat for a family, couple, or girls/boys weekend away

Relaxing and peaceful stay in a lovely part of the world

We stayed at Wyuna in early October and really enjoyed our stay. The property was clean, well-maintained and equipped with everything we needed for five nights. The house was cosy at night, even without any additional heating. The owners were very friendly and helpful, replied promptly to all my messages and gave us lots of useful information about the property and surrounding area. Our family enjoyed walking around the property. The kids loved it. There was a wide variety of birds down at the creek, kangaroos and wombats at dusk. The nights were very peaceful and the dark skies made for great views of the stars and the Milky Way - a treat for people from Sydney! We had a lovely peaceful stay and would love to visit again.

We loved it.

Our family (2 adults and 4 kids) had a great time at Wyuna over the weekend. The home was very clean and had everything we needed. Friday night we had dinner at Lue Hotel, and Saturday night we cooked in. We flew kites in the paddocks, went for walks around the property, looked for wombats, and saw the birds, kangaroos, cattle and horses. The kids loved opening and closing the property gate. It was a lovely weekend away and we would definitely come back. Thanks Margie for such a wonderful stay.

A few cosy winter's nights with the family

My husband keeps asking me whether I've thanked Margaret yet! Apologies for the slight delay in leaving a review. The fire place has to be our favourite for a winter adventure inland. It's not on the pictures Margaret! There's something so magical having a sip of local wine while watching the kids toasting their marshmallows or read one of the many books and magazines provided. The beds are super comfy and all the little extras are so welcoming. Only complaint is that the resident kangaroos didn't pay us a visit! Haha. Highly recommended!

Definite recommend

Margaret was timely and all so helpful in her responses and recommendations of the area, a true host! Her home was clean, welcoming and spacious. Huge thanks for the complimentary wine which we enjoyed on our first dinner on the property. Loved that Margaret had a coffee capsule machine so we could enjoy our morning coffee and start off our day. Surroundings were peaceful and loved how nature was so close to us! (birds chirping and watching the cows graze). Thank you for a lovely stay!

Great house, very comfortable

We stayed at Wyuna for a weekend of dirt bike riding at Louee. It's only a 5 minutes drive to get to Louee Motorbike Complex and even closer to the hotel for dinner. There were just 3 of us so we had plenty of space as the house could comfortably take a larger family.. We loved the huge back deck overlooking the beautiful land. It was a great place to sit and watch the cows chase away the kangaroos in the late afternoon, or the sky filled with stars at night. We found the house to be very clean, well appointed and the kitchen had everything we needed with all of the essentials (and more). The beds were very comfortable with good quality linen and pillows. Margaret the host has done a great job in presenting this house - thank you for sharing it with us. This is now my preferred place to stay when in Lue.

Wyuna is such a special place. The location is perfect sitting smack bang between Mudgee and Rylstone, and the house is super warm and comfortable with everything you need for the country. But nothing can quite prepare you for the peace, tranquility and those huge skies filled with stars beside the fire pit. Margie is a fabulous host and we had the best time on our little country escape. Don't miss a wander along the stream and sitting quietly appreciating the outdoors.

We loved Wyuna- a lovely, cosy cottage with everything we needed for a great stay. It was wonderful to see the kangaroos around the property and enjoyed some cosy evenings in front of the fire. Highly recommended!

Wyuna is great. We just had a great 2 nights there with our family. Margie is a fantastic host, and left us some yummy bread. The fire is great and the electric blankets are awesome. The kids loved seeing the kangaroos. Such a great place. Thank you.

Wyuna is an amazing place. A beautiful house with great fireplace and wonderful layout. A nice wide patio with bbq and great for sunset drinks. The house is really peaceful and a great place to escape a bit. Its a short ride to Rylstone or Mudgee with lovely scenery. Would definitely go visit again! Just book it!

We would definitely recommend Wyuna to other travellers! The property is idyllic and quiet and nice and close to Rylstone and Mudgee. The fireplace and the cosy beds were a highlight! Margie was an amazing host and so lovely to deal with. She was responsive, informative and provided great local recommendations for places to visit and food to eat! We wish we had longer there!

Wyuna is a stunning property, so private and peaceful. You truly feel like you are in the middle of nowhere. We cooked lots while at the house and ate on the deck, which was picturesque. The land around the house is beautiful and the sunsets were out of this world. The house is well furnished, with lots of lovely little touches. The log burning stove is perfect for heating the living room and definitely needed as it's chilly this time of year. There's also air con and endless blankets to ensure your warmth! We enjoyed being able to drive into Mudgee for food / wine tasting - it was about a 25 minute drive and we took the car as it was really the only mode of transport but this worked out well for us. I would recommend this property to others and hope it's enjoyed as much as we enjoyed it.

A beautiful tranquil idyllic location. I'd highly recommend a stay

What a beautiful place to stay. The outdoor surroundings are just a delight to sit, relax and enjoy. The house is equipped with everything you need to stay comfortably for your stay. My family & I really enjoyed our weekend away and I'm positive well be back :)

Such a beautiful spot just loved the serenity

Such a beautiful property, perfect for a family getaway. We visited wineries by day then retreated back in the afternoons to enjoy the beautiful views from the deck. The fire at night was so cosy. Kids had so much space to explore. Property was so clean and had everything we needed. We can't wait to visit again.

If you are looking for a relaxing peaceful weekend away then this is the place for you. Situated in a private location on a property with sweeping views from the verandah and just the wildlife for company. Immaculately presented, with the extra touches that made the stay very comfortable. I would definitely stay here again.

If you are looking for a date with Nature, look no further thus is the place. It is an amazing experience and Margie is a wonderful host. The place is clean, green and well maintained. Thanks a lot Margie, our family had a great experience.

Couldn't stay at lovelier farmhouse in more beautiful surroundings- Do yourself a favour & book it!

A beautiful house set amongst some equally beautiful countryside, definitely recommend staying. Marg was a gracious host and kept in contact from the outset to make sure we were looked after. Thanks Marg, we'll be back ;)

The perfect place for the weekend away. So close to Mudgee yet not too close so you can enjoy the sights and sounds of country Australia. Margaret was a great host, she was in constant contact with me to make sure everything was fine and even left us enough food staples to get by should we get hungry. This place is great for a small group looking to get away and enjoy the wineries of Mudgee

Well equipped rural residence with total privacy. Wyuna is surrounded by historic country towns and close to all the local wineries. It has a large deck with bbq, ideal for breakfast overlooking great Aussie acreage. The combustion stove was ideal for heating the house and there are heaps of books and DVDs. Would be ideal for a large family with kids or for two couples as we had. You can "feel the serenity" as you soak up the Vista from the deck or meander around the property. The kitchen was well stocked with pots and pans and crockery and cutlery etc. Margie was great with local tips and quick communication. A really relaxing Aussie country rural stay. Simon and CC

Wyuna was peaceful and provided us with the perfect place to relax and unwind. The home was super clean, homely and very comfortable. The beds

were comfortable and so warm. The fireplace was also a big hit on the cold mornings.

Wyuna is a gorgeous, cosy little house set on a lovely property. It is roughly a 25 minute drive into Mudgee town, but the property feels secluded - and this is reflected in how peaceful it is to stay there. Highly recommended.

We had a relaxing girls weekend at Margie & Phil's place. Not far from the great wineries of Mudgee and set in a beautiful peaceful location. The home was sparkling clean, beautifully styled, warm (thanks for setting the fire up for arrival) and had absolutely everything we needed. Such a relaxing place to take a break and sit out on the deck while taking in all the peaceful nature. We all loved it and would definitely return. Many thanks for the lovely spot you have created & for your great hospitality!!

Wyuna is a stylish and comfortable home on a quiet farm, situated well off the dirt road. Spotlessly clean, warm and tastefully renovated, with a huge deck. As Kiwis, we loved watching the many native birds and kangaroos, and the stars. We also enjoyed looking through the small Lue cemetery just across the road. Margie communicated promptly, and her thoughtful touches throughout the house made our stay a pleasure. Hope to be back next year.

A wonderful place to stay. Very scenic overlooking paddocks with farm animals, beautiful warming fireplace (also airconditioning). Wyuna was tastefully renovated and easily sleeps 4 or 8 people. Margaret was a fantastic host, very accommodating. Would definitely like to stay again!
