Hi Sally,

Please advise your availability to meet with our community group to discuss your proposal?

I will take your lack of response by COB today as refusal to engage in reasonable and equitable discourse with the community regards the development.

Kind Regards,

Hannah

Hi Sally,

On behalf of the Narrabeen Community I'm writing to request an in-person meeting with you to discuss SSD-76220734.

Please confirm your availability for next week.

Kind Regards,

Hannah
