

## SVC Application

### Introduction & Notes

This form should be used to apply for a site verification certificate under Part 4AA of State Environmental Planning Policy (Mining, Petroleum Production and Extractive Industries) 2007.

Please note that a site verification certificate application cannot be lodged before 4 October 2013, when Part 4AA of the Mining SEPP commences

Your application must be accompanied by supporting documentation which has been prepared in accordance with the [Interim Protocol for Site verification and Mapping of Biophysical Strategic Agricultural Land](#).

Supporting documents, and other required documentation may be uploaded in Step 5 of this form. N.B. the file(s) comprising your supporting documents must be in "pdf" format, non-secured and no more than 10Mb.

Once you lodge your application, you will be sent an invoice for the application fee (refer to clause 262C of the *Environmental Planning and Assessment Regulation 2000* for guidance). A site verification certificate will not be issued unless the fee is paid in full.

Your application must also be accompanied by BSAL site verification data cards that must be sent in hard copy **at the same time as your online application**. Your application will not be accepted until these data cards are received by the Department. The data cards must be sent to:

Attention: Strategic Regional Policy  
 Department of Planning & Environment  
 GPO Box 39 SYDNEY NSW 2001  
 23-33 Bridge Street SYDNEY NSW 2000

Copies of the BSAL site verification data cards and templates for profile, layer and laboratory data can be obtained by emailing [soils@environment.nsw.gov.au](mailto:soils@environment.nsw.gov.au)

To complete the form, please place a cross in the boxes and fill out the white sections.

Once your application is accepted, the Director General will issue a site verification certificate within 21 days.
