Hi Joel,

We've taken another look at the EPBC Act approval, and we don't think any further steps are needed from our end to permit payment. The conditions appear simply to say on this one 'comply with the NSW Conditions of approval'. As such, if you guys are alright with the approval holder paying into the Fund, we've got no objections. I believe the Department exchanged e-mails to that effect with the approval holder at the end of last year.

Thank you,

Regards,
