

Certification - Statement of Environmental Effects

This Supplementary Statement of Environmental Effects (SEE) supports an application by Woodlawn Wind Pty Ltd for a modification of the current Minister's Development Approval for the project (12th May 2010) issued under Part 4 (Section 96(2)) of the Environmental Planning and Assessment Act 1979, in respect of:

Construction and Operation of the Woodlawn Wind Farm on the Great Dividing Range near Tarago NSW

The modification relates to the installation of three additional wind turbines (Wind Turbines 21, 22 and 23) along with associated access roads and electrical cabling requirements to the south of the currently approved Wind Turbine 20. The modified Woodlawn Wind Farm project will be located on land described Section 2.1 and shown in Figure 2.1 of this supplementary SEE. A full listing of the properties comprising the entire Woodlawn Wind Farm is provided as Appendix C.
