Dear Mr Greyling

**Proposed Modification to Development Consent 250-09-01 (Mod 5)
Dixon Sand - Maroota**

I refer to your email dated 22 March 2017 in regard to the exhibition of a modification application for the approved extractive industry.

You are advised that no objection is raised in principle to the proposed modification subject to an assessment being undertaken of the increased impact of the proposed extractive industry operations on land owners and residents in the area, including the broader area, given the increased time frame requested for extraction.

Should you have any questions or wish to discuss the latter further please contact me at kmckenzie@thehills.nsw.gov.au or on 9843 0319.

Yours faithfully

Kristine McKenzie
