Dear Mr Greyling

**Modification Exhibition - Old Northern Road Quarry (Development Consent 250-09-01)**

I refer to your email dated 22 March 2017 requesting comments on the proposed Modification to the Dixon Sand Old Northern Road Quarry. OEH notes that the proposal involves extending the life of the quarry by 20 years from 2022 to 2042 and updating the existing conditions of consent.

OEH has reviewed the documentation provided and notes that it is proposed to delete Condition 3.12 due to changes in staging of rehabilitation. OEH considers that Condition 3.12 should be replaced by a condition requiring rehabilitation be undertaken in accordance with the Rehabilitation and Landscape Plan required by Condition 6.3.

If you have any queries regarding this matter, please contact Marnie Stewart on [marnie.stewart@environment.nsw.gov.au](mailto:marnie.stewart@environment.nsw.gov.au).

Yours sincerely
