Dear Ms Greenway

Council would like to thank you for the opportunity to make a submission in regards to the Oberon Timber Complex (DA27/95), section 75W Modification – Borg MDF Plant (MOD 5).

As you are probably aware the abovementioned modification is consistent with Development Application 10.2010.89.1 which Council approved on 23 December 2010. As such Council asks that the conditions contained within DA 10.2010.89.1 or similar conditions are incorporated into the modified Ministers Consent.

A copy of DA 10.2010.89.1 is attached for your reference.

Should you wish to discuss this matter further please do not hesitate to contact Council's Health and Building Manager, Mr Mark Dicker on (02) 6329 8132.

Yours sincerely

Gary Wallace
Director of Development
