Pamela

Oberon Council has pursued the modification proposed by Borgs and advise that Council supports the proposed effects by the developer to utilize current technologies on site.

As you will know localised clauses in Councils current Local Planning Instrument require compliance with appropriate noise limits and Council seeks the Departments efforts to support those limits.

Otherwise Council supports the proposed modification and provides no further comment.

Subject: Borg Panels Timber Panel Processing Facility (DA 27/95 MOD 8) - Cogeneration Plant - Notification

Hello,

The Department has received a modification application and Environmental Assessment (EA) from Borg Panels in respect of the existing timber mill at its Oberon property, Endeavour Street, Oberon (Lot 26 DP 1200697).

The proposed modification involves the installation of a cogeneration plant. The modification application has been made under section 75W (Part 3A) of the *Environmental Planning and Assessment Act 1979* and it relates to a Part 4 consent, which was granted by the Minister in October 1995.

The Department would like to invite your comments on the modification application and EA by **Friday 31 July 2015**

The application and EA is attached which can also be downloaded from the website:
