Hi Phillip,

We will have no further input to make on the RTS as our comments were “*As there is no additional impacts in terms of enlarged footprint, etc, we have no comments.*”

Regards,

Alistair.

Good afternoon,

Thank you for your comment on the proposed Liddell Coal Mine Mod 7 (DA 305-11-01).

The Department has received a Response to Submissions Report (please see attached).

The Department requests that you review the report and advise if the issues raised in your submission have been adequately addressed. Further, the Department invites you to provide any additional comment on or any recommended conditions of approval for the project

It would be greatly appreciated if any comments and/or recommended conditions of approval can be provided to the Department by **Friday 23 November 2018**.

If you have any further questions, please contact me on the details below.

Kind Regards,

**Philip Nevill**
