Dear Mr Desomer

**Liddell Coal (DA305-11-01)
Conservation Bond**

I refer to the Conservation Bond which was submitted in accordance with Condition 30 of Schedule 3 of the approval for the Liddell Coal Project (DA305-11-01).

The Department has carefully reviewed the document and is satisfied that the revision completed on the Conservation Bond meets the requirements of the Conditions of Approval.

Accordingly, the Planning Secretary has approved the reviewed Conservation Bond (July 2020). Please ensure that if the management activities are changed for the Offset Package, a revision of the Conservation Bond will need to be completed and resubmitted for review and acceptance.

If you wish to discuss the matter further, please contact Daniel Martin at daniel.martin@dpie.nsw.gov.au.

Yours sincerely

Matthew Sprott
