**DEVELOPMENT APPLICATION 401-11-2002 MOD 9 – TAYLOR AVENUE, NEW BERRIMA
– MODIFY FUEL SOURCE**

Dear Madam

Roads and Maritime Services (RMS) refers to your letter (attached) regarding the subject modification request.

RMS notes the proposed change in fuel source is likely to result in only a minor increase in traffic generation, which is unlikely to warrant any upgrades to the existing intersection of Berrima Road and the site access.

Therefore, RMS does not object to the development application in principle.

If you have any questions please contact Hala Sattouf on 4221 2769.

Yours faithfully

Chris Millet
