Modification Details

Project Info

Project Name	Clarence Colliery MOD 5 - workforce increase
Additional Capital Investment Value(excl GST)	AUD0.00
Additional Operation Jobs	100
Additional Construction Jobs	0

Modification Description

Modification to allow for an increase in the number of full-time equivalent (FTE) personnel at Clarence Colliery from the currently approved 300 to 400 (an increase of 100 FTE personnel).
---

How is the modification substantially the same as the original development?

The modification does not include an increase to the approved extraction rate. No additional plant, equipment or supporting infrastructure is required to support the modification. As such the proposed modification is substantially the same development for which consent was originally granted being an underground coal mine. The proposed modification can be considered substantially the same development as the development authorised by the consent as last modified under Section 75W of the EP&A Act.
