Good Afternoon

Thank you for your email requesting WaterNSW's comments and advice on the DA below. The proposal is located outside WaterNSW's area of operations and consultation should instead occur with Hunter Water.

WaterNSW requests the Department continue to consult with WaterNSW on proposals that have the potential to impact on our land, assets and infrastructure, or that may require a water licence or flood approval under the *Water Management Act 2000*.

If you have any questions regarding this email, please contact me.

Regards

**Subject:** Newstan Colliery (DA 73-11-98) - Modification 8 - Advice requested

Good Afternoon,

**Newstan Colliery (DA 73-11-98) - Modification 8**

Centennial Newstan Pty Ltd (the Applicant) has submitted a modification application for the

Newstan Colliery project, in the Lake Macquarie City Council local government area. The Department is seeking expert advice from **Water NSW** regarding this proposed modification, which seeks to:

- extend the approval life of DA 73-11-98 for a further 12 months until 6 July 2021; and
- extract up to 2 million tonnes of run-of-mine coal, using first workings methods within the West Borehole Seam.

If you could please provide advice on the proposed modification (including any recommended conditions of consent) by close of business on **Tuesday 16 October 2018**.

The Environmental Assessment (EA) may be accessed from the Departments website using the link below:

[http://majorprojects.planning.nsw.gov.au/index.pl?action=view\\_job&job\\_id=9140](http://majorprojects.planning.nsw.gov.au/index.pl?action=view_job&job_id=9140)

The proposal will also be placed on public exhibition from **Monday 8 October 2018 until Monday 22 October 2018**.

For further queries, please do not hesitate to contact me on the details below.

Regards

Melissa
