Dear Ms Sarkies

I refer to your letter of 13 November 2012 to the Office of Environment and Heritage (OEH) advising of a proposed modification to the approval for the Major Civil Construction Works for the North West Rail Link (NWRL) project (SSI-5645).

I advise OEH support the proposed modification noting the reduction in biodiversity impacts in comparison to the approved project.

If you have any queries regarding this matter please contact Richard Bonner on 9995 6833.

Yours sincerely

S. Harrison 28/11/12
