Dear Ms Jones

**CDB and South East Light Rail (CSELR) SSI 6042 – Modification No. 1**

I refer to your letter dated 1 December 2014 inviting the Environment Protection Authority (EPA) to comment on the proposed modification to the CSELR. Thank you for the opportunity to provide comment.

The EPA notes that the construction hours referred to in Conditions B2 and B3 of the existing conditions of approval are not in accordance with the standard construction hours set out in the *Interim Construction Noise Guideline* (DECC 2009). The EPA considers that construction hours for the CSELR project, including works detailed in modification no. 1, be limited to the following hours unless otherwise permitted in accordance with Condition B4:

- a) 7:00 am to 6:00 pm, Mondays to Fridays;
- b) 8:00 am to 1:00 pm on Saturdays; and
- c) at no time on Sundays or public holidays.

If you have any questions in relation to this letter please contact Wendy Stevenson on 9995 6866 or [wendy.stevenson@epa.nsw.gov.au](mailto:wendy.stevenson@epa.nsw.gov.au).

Yours sincerely
