Hi Andy,

Thank you for referring the abovementioned proposal to the Heritage Council of NSW for comment. I note that no referral was received for SEARs, but that heritage SEARs were included nonetheless.

The subject site is not within the curtilage of any State Heritage Register (SHR) items, nor is it within the vicinity of any SHR items. It does not contain known historic archaeology. Therefore no heritage comments are required. No further heritage referrals for this site are required for subsequent stages of this proposal, or any future proposals.

Please note that the Communities and Greater Sydney Division of OEH may provide comment in relation to Aboriginal cultural heritage.

If you require clarification, or would like to discuss the above, please do not hesitate to contact me.

Regards,

Anna
