**Subject:** RE: Modification Request for the Orora Paper Mill (05\_0120 MOD 8)

**Security Classification: UNCLASSIFIED**

Hi Luisa,

I have reviewed the attached documentation in relation to the proposed modifications at the Orora Paper Mill and have concluded that the works principally involve demolition work which will not impact on the current dangerous goods stored on site. Therefore I have no comments to make. I have however passed the correspondence onto our Construction and Demolition team who may wish to provide some comments.

Kind regards

Andrew
