## Submission

Your Comments;

Dear Sir / Madam

I am hurt and saddened of the proposal of the Weigall Sports Complex Sydney Grammar School Development to move the two storey pavilion of which is no interference or problem to anyone, then to re build a 4 Storey pavilion straight in front of our homes cutting off our light, not to mention our emotional living we will all be living like animals in a cage. God help us.

The biggest majority of residents living here are elderly. They spend 24 hrs a day house bound as now they can look from their windows see the children doing their sport and their voices (being happy). They see the trains go by. Shame on these people who want to take this away from them just for money where is HUMANITY.

I asked at the meeting if where the pavilion stands now, could not be flood drained. The answer was YES IT COULD. (Do it then build it. No one wants to stop this development. These But let it be in agreement where both sides are happy.

Yours Sincerely.
