Your Comments;

AS for Jeyden they are used to living here they lived here for a long time and it is more convenient for them living here. when they start building it will be noise, dust, disturbing with everything which we do. we can't even go outside to play as before. like if they start putting the pipes for swimming pool we don't even know where they are going to face it will be another problem for me to breathe in the air from the pipes, and again if you block us from the sun and dust we don't know or we can't afford to take our clothes to be washed at the laundry because we can't afford.
