I like to objecting 150% this SGS building construction — because Too CLOSE to our building! I live in this [REDACTED] in the lowest level — my bedroom window very near to the planing wall of the SGS new building! — in this case completely blocking my views, my sunlight, the sky!!! and will affect my health condition — damage my asthma permanently — during the excavation from the dust.

I wish to support the OBJECTION — this SGS new building plan —!!!

Thanks for the support this objection
