Your Comments;

I have lived in this building for 30 years, + object to this building as too close to us. If any construction should be as far away from residences Option 4.

I object to blocking of light, tree removal, high fences this would impact on our health especially chlorine.

Excavations & noise trucks from 6am 6 days a week plus damage to our foundations.

blasting drilling & dust will further affect our health & lifestyle.

Some people here are over 70 Don't think would be fair to subject them to this disruption + unbearable noise + other that I have stated.

this is not an environmentally friendly bldg. or construction.
Please consider all options before taking this action.
