~~Disadvantaged my~~ opinion that the building that is going to be built is that is very high

My opinion on the building that is being build is that it is going to be blocking the view of my windows. I could not be able to see the beautiful view I always see once the building is built.

It will affect my [REDACTED] not able to have the sun shine and to have my well being will change I want be able to enjoy my daily living life style And also it will affect my hearing it will be too noisy once they start building.
