## Submission

### Your Comments;

The proposed S&S sports complex will affect the light & breeze I currently enjoy in my home. A huge building taller than my single storey terrace will not receive the current breeze from Rushcutters Bay. The movement of trucks along Lawson St will cause more vibration to windows, dust and broken branches falling. Parking will be impossible as already witnessed with the Advanx development. I will be viewing a brick wall instead of the trees I currently view. The noise, dust and lack of natural light will disadvantage me.

I would also want a delapidation report conducted on my home before any drilling commences.

I have had cracking issues due to Advanx development which Advanx accepted and corrected.

I would now want the same as drilling to the depths required will have an impact on my property.
