Your Comments;

My objection to the project at the Weigall Sports Complex is not about the proposal itself but its proposed location on Heild Avenue right next to our housing complex where live a great many people who have health issues which will be impacted very badly indeed by a project, so close by the building, of which will take an estimated 2 years including heavy equipment pounding deep into the substrate up to 6 days per week which will be intolerable especially to people who spend long periods at home, of necessity.

The Weigall overall site is large and this complex could be constructed elsewhere on the sports fields eg. next to New South Head Road.

Traffic, heavy machinery, noise, dust, have health impacts.

I therefore reject the proposal on its current site.
