Your Comments;

I am objecting to the location of the proposed Sports Complex being situated on the tennis courts. Sydney Grammar has other grounds that can be built up without disastrous effect on my client.

I work for [REDACTED] and see [REDACTED] Lawson St, Paddington 2021 regularly through her My Aged Care to ensure her wellbeing. [REDACTED]

[REDACTED] not a dense housing complex (e) clean environment because of the extreme risks that will compromise [REDACTED] There are almost no other [REDACTED] in the precinct that would fit [REDACTED] criteria.

[REDACTED] maintains her home + Common Area's immaculately cleaned and takes in consideration all tenants in building to live a peaceful and healthy life.

Your Comments;

However, now the potential challenges of the construction disruptions, noise, toxic dust, trucks and workers are causing great concern and angst for [REDACTED]. It would be unconscionable for the School trustees, headmaster, teachers and parents to inflict such harm on an already vulnerable group of people including [REDACTED].

I request the decision makers reject the location on the tennis courts and request a new DA on a site that will not affect those less privileged than the school community. Living in [REDACTED] is not a choice anyone would make. Why teach the next generation of students and community leaders to ignore the needs and dignity of their neighbours? They can rather learn to be responsible citizens with concerns for social justice.
