Submission

Your Comments:

I am objecting to the chosen building site. The 102 car parking spaces on site is very concerning.

Truck movement according to this report by Alex Greenwood is very close to homes. Already I find there is too much traffic noise from Neil Ave. especially during the night. My home is on the lower ground level, this proposal should not go ahead.

It is too close to our building. Choose option 4 it is away from residences, or any other site but not on tennis courts.

A service Road 2m from our border will pass from Neil Ave to the complex. The effects will be light spill at night into our windows. The swimming pool will be in use from 6 AM 7 days per week.

This building would significantly affect my quality of life and health.

Yours Sincerely
