## Submission

### Your Comments;

Our family has lived at [REDACTED]  
[REDACTED], [REDACTED] for almost twenty  
years (on [REDACTED]  
Vialoux Avenue).

We are concerned about the location  
& size of the proposed Weigall  
Sports Centre, in particular:-

- the location, so close to many residents who will be subjected to construction noise, increased traffic & loss of light
- The report on the Major Projects ~~and~~ Portal has not covered the traffic volume issues (Item 7.1) as a survey was done on 5th December, 2019, a day after the school had closed for the Christmas break.
- the excavation to provide two swimming pools is excessive and we don't know if this will effect the structure & foundations of our homes & the surrounding apartments
- Why will there be an electricity substation at 33 Lawson Street?
- The influx of work vehicles to Vialoux Avenue where there is little parking & the noise will be intolerable.

We don't object to a Sports  
Complex, however, it should be  
situated in a different location  
than over the tennis courts.
