Your Comments;

I am objecting to the building of Sydney Grammar Weigall Sports Complex outside my home windows on the tennis courts.

The school has a lot of grounds and they can choose another site for their Sports Complex. One month ago [REDACTED] we have lived here peaceful and very happy for [REDACTED]

This terrible shock leaves me feeling afraid and insecure. [REDACTED]

This The terrible noise of construction that will be from early morning to late night just outside our windows will be frightening and disturb my life. I am trying to be secure for [REDACTED] but trucks coming all day will not give us any quiet and piece.

so workers will create a horrible environment for us.

My building has no security. We wont be able to use the washing lines. Who will pay for drying our clothes and linen? The finished complex will block our light and the sky. We will be looking on the back of a building up to our roof. The street lights from the service road will disturb our sleep. The buses and turning circle will upset us all day.

I object to the swimming pool exhausts that will have a noise 24/7 and put chemicals into the air.

This is bad for our health. Also bad for our health will be colder in winter, because there will be less sun and more dark.

Please accept my objections as very serious. The school is wealthy and can choose another place for their complex. They haven't thought about the effect on us. They haven't explained the huge damages in the DA. This →

doesn't show the school ethics to be good.
