Attention: Eleanor Parry

Exhibition of Macquarie University Central Courtyard Precinct Redevelopment - SSD 8755

Dear Mr Gibson,

I refer to your letter dated 18 June 2018 requesting further advice from the Office of Environment and Heritage (OEH) on the Macquarie University Central Courtyard Precinct Redevelopment.

OEH previously commented on the biodiversity and Aboriginal cultural heritage impacts of this proposal in its letter dated 19 July 2018. OEH has now completed its assessment in relation to floodplain risk management and advises that the Stormwater Management Strategy report prepared by ARUP adequately addresses all flooding concerns. In the detailed design stage, a construction staging plan should be developed addressing flooding as creek diversion is required. This should be conditioned in the development consent.

Please note that a separate response may be provided on heritage matters by the Heritage Division of OEH as delegate of the Heritage Council of NSW. Should you have any queries regarding this matter, please contact Svetlana Kotevska, Senior Conservation Planning Officer on 8837 6040 or at Svetlana.kotevska@environment.nsw.gov.au.

Yours sincerely

S. Harrison 31/07/18
